NSTi is pleased to announce that we are hosting a 1-day Workplace Violence training seminar May 30th, 2014! Workplace violence is a growing concern for employers and employees nationwide and has been an emerging safety and health issue in today's workplace. Nothing is more important than the safety and security of your employees, so sign up today and join NSTi subject matter expert, Steve Rutledge, for this one day training seminar.

Learn how to:

- Conduct a safety and security assessment
- Navigate the reporting process and investigations
- Explore problem termination considerations
- Create and maintain an incident action and recovery plan
- Properly conduct employee briefings
- Recognize and manage warning signs effectively

Plus, explore tips and techniques for defusing anger and conflict and receive helpful tools to incorporate into your program. In addition to receiving instruction and workplace violence tools, we are including a brown bag lunch as part of the \$199 registration fee.
